A cartoon illustration showing a woman on a balcony looking down at a man on a street. The woman asks, "MS. BELLUM? IS HIM DAY A REAL HOLIDAY?" and the man replies, "NOT THAT I'M AWARE OF, MAYOR." A sign on the building says "HIM DAY".

This month we have letters from fans all over the world, thanks to the marvel of technology called the Internet. It just goes to show that some things are universal. And laughter is definitely high on that list.

STEPHANIE VOLLMER VIA THE INTERNET

Dear Powerpuff Girls,

I like the Powerpuff Girls very much. I started reading your comics in POWERPUFF GIRLS #15. I like all of your stories. I am one of the Powerpuff Girls' biggest fans. I watch them on TV every night.

Dear DC Comics,

I just finished reading issue #23 of the POWERPUFF GIRLS comic, and I have to say I love it! I have been a fan of the Powerpuff Girls for a while now and have loads of related memorabilia. I never realized that a comic was available until I spotted it in my local comic book store. I live in the UK so I was surprised that such a comic would be available in this country!

LEGER-LEGENDE VIA THE INTERNET

Hello,

I'm a big Powerpuff Girls fan from Germany. I love it when the Mayor laughs. I love it when Bubbles and the other Powerpuffs laugh. I love it when the silliest of the Amoeba Boys laughs. But what are their names? Do the Amoeba Boys have names? If they do, then could you let me know what are their names? Please answer. Thank you.

We normally don't give out classified information, but since you asked so nicely, the Amoeba Boys are Bossman, Slim and Tiny. Keep that between us, though, because they've got private lives and don't want the fans hounding them 24/7.

MICHAEL GLASGOW SCOTLAND

Dear Powerpuff Girls,

I like the Powerpuff Girls so much. I like Buttercup, Blossom and Bubbles, but Blossom is my favorite. Mojo Jojo is my favorite villain. Blossom should stay the leader of the Powerpuff Girls because she is the cleverest of them all. Bubbles isn't as clever as Blossom. And Buttercup is the strongest Powerpuff Girl, but she is not as clever as Blossom.

Well said!

next issue:

Bubbles causes troubles in Townsville! First, she gets a chain letter that makes pure mayhem for anyone who doesn't answer it! Then, she agrees to help Mojo with a project to earn some spare change — but is this project really just a home for "adorable baby animals, cute little puppies, cuddly tiny kittens, and precious petite possums"? Well, duh. **Written by Frank Strom and Bronwyn Carlton; art by Ricardo Garcia Fuentes and Mike DeCarlo; cover by Phil Moy.**
